NATHAN BANN

MANAGING DIRECTOR

0408 902 476 | nbann@AusMaint.com.au

Nathan's Aboriginal heritage is the Yugunga-Nya Land group. Nathan has a solid background in the electrical field, in both mining and domestic environments. He also has strong management skills and experience. He has previously managed a successful electrical maintenance and installation services team, and he understands the relevant operational needs of businesses of all sizes and complexities.

Nathan coordinates AusMaint's electrical projects, ensuring they are delivered in a safe, reliable and cost-effective manner.
